

# AppleCare One Summary and Disclosure

Please read this Disclosure to ensure your understanding of how AppleCare One works. You will be provided with plan documents electronically evidencing coverage shortly after purchase.

AppleCare One is an optional device protection program that provides combined benefits for up to 3 devices, with the flexibility to add more. You can also change which devices are covered in the plan. The plan provides device protection under a service contract<sup>1</sup> for hardware coverage, technical support, battery depletion, and accidental damage from handling (ADH), and an insurance policy (Theft, Loss, and Power Surge) for loss, theft, and power surge coverage. AppleCare One is subject to certain terms, conditions, and limitations available at [apple.com/legal/applecare/applecareone](https://apple.com/legal/applecare/applecareone). Theft and Loss Coverage may be purchased separately.<sup>2</sup>

**Theft and Loss coverage is only available for iPhone, iPad, and Apple Watch. For your lost or stolen claim to be eligible for coverage, Find My must be enabled at the time the device is lost or stolen. Find My must remain enabled, and the device must remain associated with your AppleCare One plan and Apple Account throughout the theft or loss claim process. To enable Find My, you must (i) open the settings application on your device; (ii) tap your name; (iii) if on Apple Watch, tap the device; (iv) tap Find My; and (v) turn on Find My. Please note sharing your location does not turn on the Find My functionality which is required for Theft and Loss coverage in accordance with the terms and conditions of the policy.**

## AppleCare One Coverage includes:

- Unlimited incidents of accidental damage from handling protection
- Hardware repair coverage
- Battery replacement if the capacity falls below 80%
- 24/7 priority access to Apple Support
- Theft and Loss coverage for iPhone, iPad, and Apple Watch, up to 3 claims every 12 months<sup>3</sup>
- Theft and Loss coverage requires devices to have Find My enabled, remain enabled, and associated with your AppleCare One plan and Apple Account at the time the device is lost or stolen and throughout the claims process
- Power surge protection

## Coverage Limits, Service Fees and Deductibles

AppleCare One provides coverage for:

- Coverage for up to 3 eligible devices, the ability to add more, and change which devices are covered under the plan<sup>4</sup>;
- unlimited claims for ADH for all devices covered by the plan, subject to the service fees listed below.
- up to 3 claims of theft or loss every 12 months for iPhone, iPad, and Apple Watch from your date of initial purchase of the plan provided by AIG subject to the deductibles below (adding devices to your plan does not increase the theft and loss claims limit).
- For iPad, ADH coverage applies to one Apple Pencil, one Apple Pencil Pro, and/or one Apple-branded iPad Keyboard that is used with and compatible with the covered iPad (“Input Devices”). Separate service fees will apply even if your iPad and iPad Input Device are damaged at the same time. **Theft and Loss coverage does not apply to iPad Input Devices and no replacement iPad Input Devices will be provided for approved iPad theft or loss claims.**
- For Apple Watch, ADH coverage applies to the one Apple-branded band, Nike Sport band, or Hermès Sport band supplied in the same box as your covered Apple Watch (“Apple Watch Band”). **Theft and Loss coverage does not apply to the Apple Watch Band unless the covered Apple Watch is lost or stolen at the same time, in which case one deductible will apply. For covered Apple Watch Bands, regardless of the band that was supplied in the same box as the covered Apple Watch, your replacement band will be an Apple-branded band in a style, material, and color that is subject to AIG’s discretion.**

## AppleCare One Plan Costs

The monthly cost for the plan is \$19.99, which provides coverage for up to 3 devices. The price of the plan includes the cost of insurance provided in the program, which is \$5.00 per month.<sup>6</sup> Additional devices may be added to the plan for \$5.99 per device, per month. The cost to add additional devices does not affect the premium of the insurance provided in the program and does not extend the coverage or claims limits provided by the insurance. If additional devices are added, you will be charged a pro rata rate based on the date the device is added to AppleCare One and the time remaining until your next billing date, with the full monthly rate applying at the next billing date for your plan.

The plan is for a recurring one-month term. Your benefits and coverage begin on the plan purchase date and continue month-to-month, unless cancelled or terminated.

You are not required to enroll in AppleCare One to purchase or finance your new device. You may cancel your AppleCare One plan or coverage for devices that were added to your plan at any time and receive an applicable refund, if any, as described in your AppleCare One terms and conditions and state-specific insurance documents. We will not cancel coverage for non-payment of premium without providing you with the opportunity to pay within the applicable notice period.

You can cancel AppleCare One at any time in accordance with the plan documents.
